

HOW TO VOTE FOR ADAPTAVATE ON THE SHELL LIVEWIRE COMPETITION

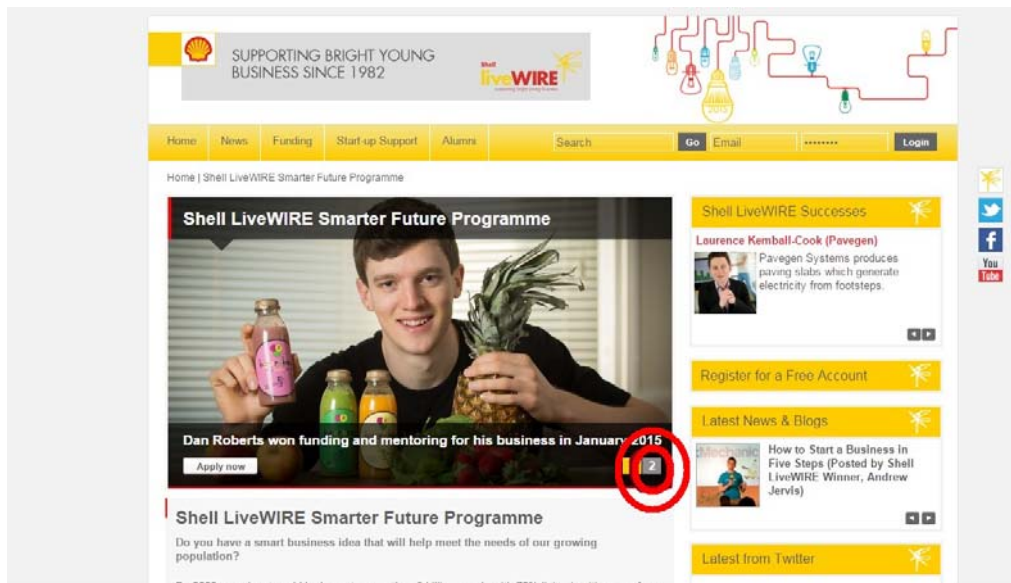

As we really appreciate the time that you are taking to help us we have make it even easier for you to vote.

1st follow the next link we provided or do a search with key words:

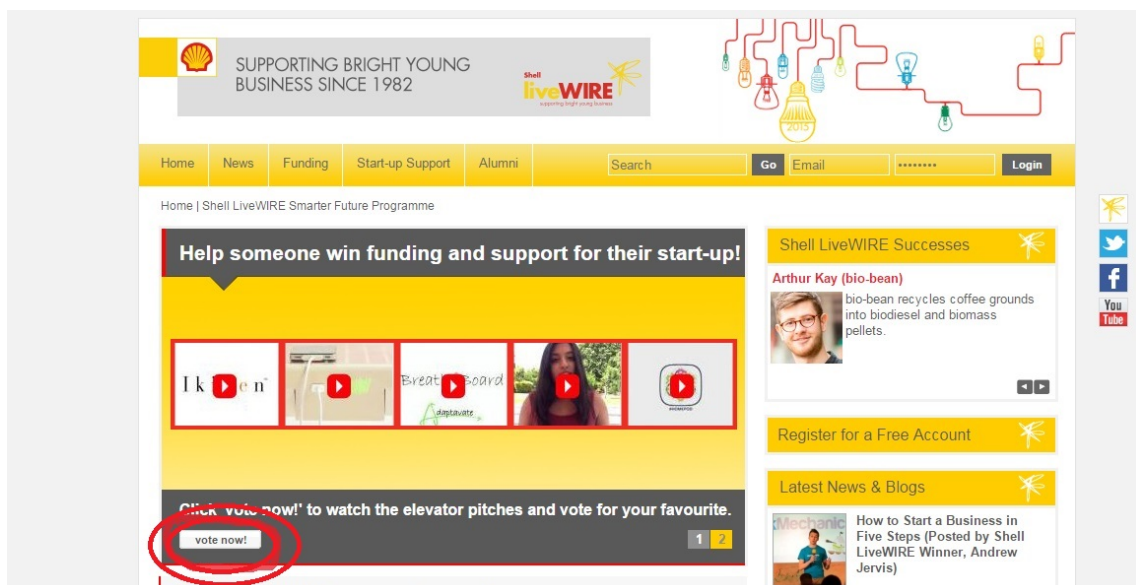

Shell Livewire voting area smarter future programme

Then follow the screenshots and written instructions:

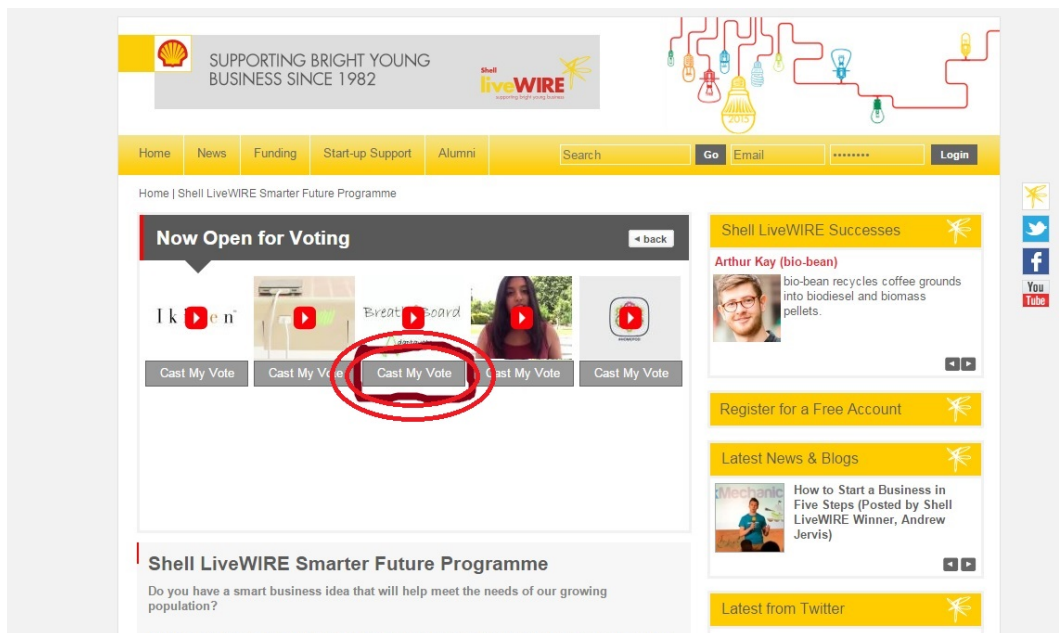

Once you are in the webpage click on the button circled in red.

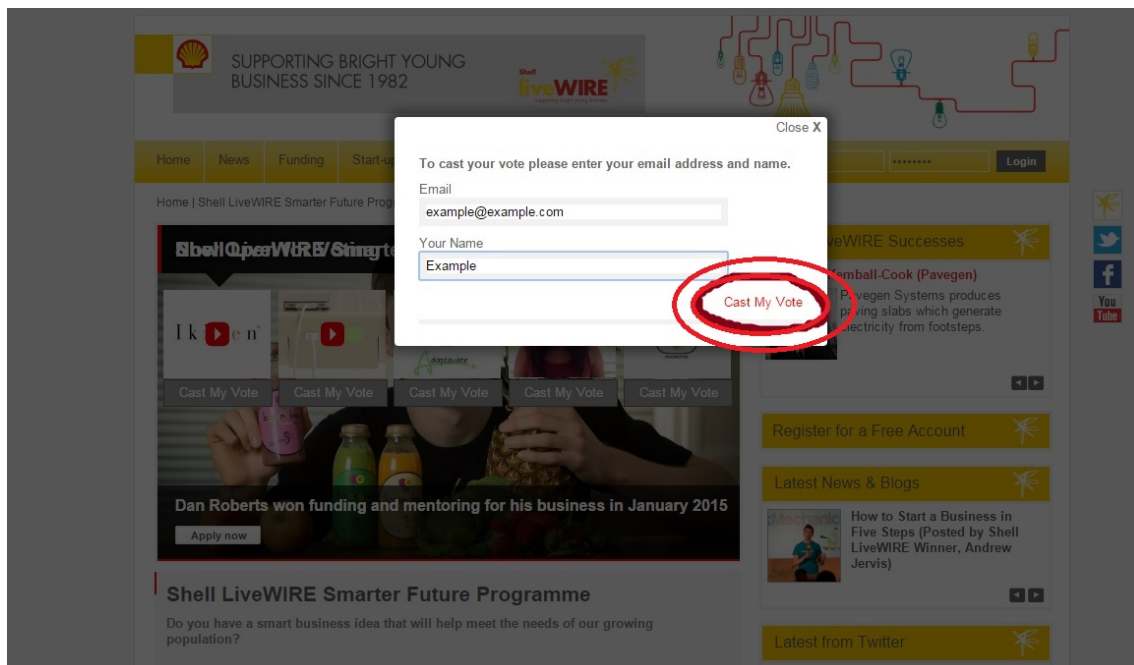

Then click on the button that reads **VOTE NOW** circled in red

After that the five finalists will appear on the screen as follows, and then click on **CAST MY VOTE** as shown in the screenshot. We also encourage you to watch the 1 minute video we prepared. It is the one in the center.

Following to it, a window will prompt asking you to enter a valid email address and a name. When it is filled up, click on **CAST MY VOTE**.

If you have made to this point is only a matter of seconds for them to send you an email to the provided email address, where you only have to click on **CAST MY VOTE** to finalize the voting process.

WE DO REALLY APPRECIATE YOUR EFFORT ON VOTING FOR US, THANKS.
